PROLOGUE

WODWICHEE (Welfare Organisation for Destitute Women, Infants & children's Enrichment and Enlightenments) completes 26 years of its untiring and relentless services and tried to achieve its cherished goal through integrated approach and diverse means keeping a focus on women, girls, children & elderly. The organisation was founded in 1989 with the aim of meeting welfare and development needs of people in the region, especially the marginalised and the underprivileged sections. Since then, WODWICHEE has been present in every corner of the Barak Valley region with various projects in the areas of Skill Development, Child Care and Protection, Women Empowerment, Education, Empowerment and Rehabilitation of Persons with Disability, Youth Employment and so on. In all its efforts, the organisation has maintained a special focus on the marginalised groups including women, girls, children, the elderly and persons with disability.

Mission, Objectives & Commitments

WODWICHEE's principal mission has been the empowerment of women & girls and to make downtrodden women & girls aware of their rights for being able to sustain their lives without humiliation and deprivation, and for giving their children the promise of a healthy growth. Our main emphasis is on supporting a development process that is equitable and sustainable and on rendering care, protection and service to the under privileged sections of the society, especially Women, girls and children. Since inception WODWICHEE has been particularly committed to the cause of destitute women, girls in need, and neglected children.

Main areas of intervention

In addressing the commitment and the objectives, WODWICHEE has been concentrating its efforts on empowerment of women through education, training and various other need based support services. In addition, WODWICHEE'S programmes maintained a special focus on areas of special needs of children, aged and persons with disabilities.

INTEGRATED PROGRAMME FOR YOUTH & CHILDREN

CHAPTER – 1

INTEGRATED REHABILITATION CENTRE FOR ADDICTS (IRCA)

The high magnitude of drug addiction in two bordering states viz., Manipur and Mizoram has badly affected youths in the region of South Assam (Hailakandi, Karimganj and Cachar Districts) in recent years. Paddlers and drug traffickers have been finding it easy to make their way into to this region increasingly with the growing communication and transport system in the region. As a result, addiction among students, youths and many working class people have been rapidly increasing which demanded urgent intervention specific to the region.

Group Counselling Session

WODWICHEE started the 15 Bedded Integrated Rehabilitation Centre for Addicts at Sonai Road, Silchar, Dist. Cachar on 1st July, 2007. Since then the center has been active in making efforts in the areas of preventive education, awareness generation and motivational counselling along with de-addiction and rehabilitation. The Ministry of Social Justice & Empowerment, Govt. of India has accorded sanction of grant in aid from the FY 2014-15.

The main services which are being provided are :

i) Preventive Education and Awareness Generation, ii) Detoxification and Medically Managed Withdrawal, iii) Motivational Counselling, iv) Vocational Rehabilitation & vi) After care and Reintegration into the social mainstream.

A comprehensive drug treatment program addresses both the physical and psychological components of addiction, thus providing a whole body approach to treatment that helps achieve and maintain sobriety for years. A holistic Treatment Program is being adopted for the indoor clients. The de-addiction treatment program is for five weeks - 34 days starting every Monday and a systematic daily routine is being followed.

During the year 2019-20, a total of 401 nos. of clients have been rendered with integrated services out of which 145 nos. were IPD and 256 were OPD clients. During the year, 87 nos. of IPD clients have properly been recovered and rehabilitated. The table on the right depicts the nos. of beneficiaries covered during the year.

Total nos. of clients covered	401
Nos. of indoor Clients (IPD)	145
Nos. of OPD clients (OPD)	256

OUTREACH AND DROP IN CENTRES (ODIC)

The Barak Valley Region comprising of Cachar, Hailakandi and Karimganj districts of South Assam has borders with the state of Manipur, Mizoram and Tripura which makes it vulnerable in terms of drug abuse and is an easy field of activity to the drug paddlers and traffickers. School and College going students are the main target group of drug traffickers.

The Govt. of India has selected Cachar, Hailakandi and Karimganj districts for targeted intervention under National Action Plan for Drug Demand Reduction (NAPDDR). In the backdrop of prevailing scenario WODWICHEE started the Project Outreach and Drop in Centre (ODIC) at Sonai Road, Silchar, District Cachar on 1st Jan, 2020 in accordance to the sanction of grant in aid

Inaugural function of the ODIC

from NISD with an aim to conduct outreach activities in the community for prevention of drug abuse with a special focus on youth who are dependent on drugs. Requisite staff have been recruited and deputed to training to RRTC. After training of the staff the ODICE has began functioning. Safe and secured drop-in space has been accommodated for drug users in the community. The Centre has a provision of screening, assessment and counselling and referral and linkage to treatment and rehabilitation services for drug dependents. The focussed activities carried out by ODIC are given below:

- 1) Outreach activities in the community among young vulnerable population
- 2) Behaviour Change Communication (BCC) one to one / group sessions in community.
- 3) Screening and assessment of clients on substance use disorder
- 4) Drop-in-Center facility for people vulnerable/dependent on drug use
- 5) Individual, group and family counselling
- 6) Consultation with doctor for referral and linkage with treatment facility
- 7) Follow up care including family counselling

During the period from 1st January to 31st

March, 2020 a total 34 nos. of clients

have been provided services and 4 nos. of Outreach programmes have been conducted at i) Kanakpur, ii) Irongmara, iii) Ramnagar and iv) Jalenga District Cachar.

Outreach Programme

YOUTH DEVELOPMENT CENTRE

Since Nov. 1998, a Youth Development Centre has been running at Lakshirbond, District Hailakandi. During the year 2019-20 the following activities have been undertaken.

Youth Orientation training :

A Youth Orientation training programme has been organized on 10-12 Sept, 2019 to mobilize the youths in nation building activities as component of our Youth Development Centre (YDC). 75 nos. of youths participated the program.

Orientation Training on Yoga :

With an objective to incorporate Yoga in education at the school level as a component of value education, a 3 days orientation programme for the school children was organized during 10-13 Dec, 2019 at Zamira, Dist. Hailakandi. 107 nos of children from middle school participated in the programme. Resource persons from reputed Yoga Institution imparted Yoga training to the participants.

SCHOOL FOR UNDERPRIVILEGED CHILDREN

WODWICHEE has established and running a School named SPARROWS ACADEMY- The School of Optimism and Creativity since 2018 where economically and socially marginalised children of Hailakandi district are educated free of cost. The school uses an innovative model of schooling where both academic and humanitarian trainings are provided to the learners.

During 2019-20, 57 nos. of new children have been admitted in addition to the last year's 55 nos. The cumulative enrolment at the end of 2019-20 stands at 112 nos.

of children. Along with academic learning, they have been provided life-skills training, moral education, study tours and various extra-curricular trainings in sports, music, martial art, painting and other areas. The project is expected to make some expansion in the next session to accommodate another 100 students from different underprivileged families.

CHILDREN'S HOME UNDER J. J. ACT

Residential care and protection during the pendency of any inquiry is needed by a large number of children who enter the juvenile justice system through the Child Welfare Committee (CWCs) for their care, treatment, education, training and rehabilitation. WODWICHEE has set up all the infrastructure and accommodation for the Children's Home in Silchar, District Cachar to cover the Cachar, Hailakandi, districts of Assam under the ICPS Scheme of State Child Protection Society. The Home serves as a home away from home and provide comprehensive child care facilities to children for ensuring their all-round development. With the view to facilitate reintegration and rehabilitation of the children into mainstream society, the Home work towards enhancing their capabilities and skills and work with their families. The various activities carried out in the Home directly cater to the development needs and protection of children. A holistic approach in close adherence to the legal and social requirements of issues of children is adopted to meet the all-round development of the children. The activities are integrated in a manner that takes into account the various mental and physical needs of the children and their capacity for getting reintegrated in the mainstream society.

INTEGRATED PROGRAMME FOR SKILL DEV. & EMPLOYMENT GENERATION

CHAPTER – 2

READY MADE GARMENT TRAINING & PRODUCTION CENTRE

In order to generate sustainable source of income for women and girls, WODWICHEE has been working for last 10 years in the field of ready-made garments training and production. For the purpose, the organisation has established a ready-made garments training and production Centre at Old Hospital Road, Hailakandi equipped with modern and easy to use machines, with efficient and well trained instructors. The centre is functioning very well and provided training to 117 nos. of beneficiaries during last 3 years. Along with training on ready garments, winter wears has been also produced and sold by the beneficiaries. The centre supports for proper placement of the trainees and facilitates to those who are able to start their own venture.

SANITARY NAPKIN TRAINING & PRODUCTION CENTRE

In rural areas of the Barak Valley region poor adolescent girls and women faces severe health and reproductive problems due to usage of unhygienic cloths and other materials as a substitute to proper low cost sanitary napkins. The poor women and girls cannot effort to use napkin available in the market due to high cost. WODWICHEE has set up a Training and Production Centre of low cost sanitary napkin at Lakshirbond, District Hailakandi. This Centre helped the trained women to start their small production units and sell in local rural areas. During the year under report a batch of 12 nos. of women have been provided training and out the 11 successful trainees, 5 nos. started production on establishing their own units.

FOOD PROCESSING TRAINING AND PRODUCTION CENTRE

It has been observed that a bulk of local seasonal fruits especially pineapple, jack fruit, banana, guava black berry etc. gets wasted due lack of proper and modern processing mechanism. If a proper and modern mechanism for processing and storage of local food items could be setup, a sustained income generating avenue would be established for the unemployed women and girls in rural areas.

During 2019-20, a batch of 15 nos. of women have been trained in the Centre. It has been revealed that this training has developed necessary skill and outlook of the beneficiaries. The centre has produced processed food items which got popularity in the local market and a sale of Rs. 4.27 lacs has been recorded during the year.

INTEGRATED PROGRAMME FOR CARE & PROTECTION FOR WOMEN & GIRLS

CHAPTER – 3

SWADHAR GREH AT DISTRICT HAILAKANDI (ANNEX-I)

There are a huge number of local as well as migrant women in the district who live in extremely difficult situations due to their socio-economic status and due to various forms of victimisation caused at personal and social levels. Lives of these women are often characterised by homelessness, absence of a livelihood, lack of social security, stigmatisation and disrespectful treatment from the society, harassment and violence at home, absence of legal support and so on. These women need effective institutional support which has been very poor in the valley as compared to the needs and number of needy women. In such a situation, the Swadhar Shelter Home & Women Help Line was started at Lakshirbond in Hailakandi District on 1st Nov. 2005 with the goal of supporting women in difficult situation with a

dignified life characterised by proper shelter, protection, livelihood and economic empowerment. The project was started with financial assistance from the Ministry of Women & Child Development, Govt. of India.

The Home has been providing dedicated service to these beneficiaries for catering to primary needs such as shelter, food, clothing, medical treatment, counselling to the beneficiaries etc. The centre also provides legal aid and guidance and other supports required in cases of their restoration in the families and in the society. Also, for the economic empowerment and social rehabilitation of the beneficiaries, the centre runs a holistic intervention including vocational training, life-skills training and capacity building on entrepreneurship and other need based trainings. The centre emphasises deep introspection and analysis in understanding the needs as well as capacities of every individual beneficiary and strategising the activities to meet those needs.

SWADHAR AT DISTRICT CACHAR (ANNEX-II)

Cachar is the second largest district of Assam bordering the states of Mizoram, Manipur and Meghalaya. Along with relatively poor socio-economic indicators the district is also characterised by high inward and outward migration and proneness to human trafficking. Women and girls are exposed to various forms of victimisation and violence. WODWICHEE has been actively researching on the issue and realised that the issues pertaining to

these women are multidimensional and require a holistic intervention with institutional support for protection and rehabilitation. It has also been observed over the last few years that there has been a substantial increase in Cachar district in the number of women who would need such intervention. A lot of this can be attributed to factors like poverty, unemployment, family mal-adjustment, elopement, migration, natural calamities etc. In the backdrop of this scenario, the SWADHAR Shelter Home & Help Line was started on 1st March, 2005 at Sonai Road, Silchar in the district of Cachar.

Situated in a prime location in Silchar, the district headquarter city of Cachar District, the centre has provided protection and rehabilitation to beneficiaries since its set up. The services which are being provided include shelter, clothing, food and nutrition, medical services, counselling, training & education, capacity building, rehabilitation and Sustained follow-up. Brief details of the services and beneficiaries during 2019-20 covered are given in the table.

FAMILY COUNSELING CENTRE

In the backdrop of increasing cases of domestic violence and family disorganisation, the Family Counselling Centre was established in Hailakndi in the year 2002. Since then the centre has been functioning efficiently dealing with various interpersonal and familial conflicts, particularly involving women. There are conflicts between family members on various issues that sometimes result in divorce or separation. The Family Counselling Centre has come up as a very practical and vital medium to resolve such issues. During the year a total of 167 cases have been registered out of which 137 cases have been resolved and settled.

UJJAWALA : Project for Prevention, Rescue & Rehabilitation of Victims of Trafficking

To counter the prevailing scenario, WODWICHEE has started the Project for Prevention, Rescue & Rehabilitation of victims of Trafficking under the UJJAWALA Scheme on 11th July, 2014 at Old Hospital Road, District Hailakandi under the aegis of the Ministry of Women & Child Development, Govt. of India. Under the Project the following components wise activities have been undertaken.

ADVOCACY ON RIGHTS OF SENIOR CITIZENS

Violation of rights of the senior citizens in domestic and social environs is a major issue in the backdrop of globalization. There are specific laws to safeguard the rights of the senior citizens. WODWICHEE has running an advocacy project for promoting and protecting the rights of senior citizens since 2017. Under the project, information is disseminated on the rights of senior citizens in accordance with the Maintenance and Welfare of Parents and Senior Citizens Act, 2007. It also facilitates advocacy on cases of violation of these rights by family members and others who are responsible for the care and protection of the senior citizens. A network of relatives of senior citizens has been formed to discuss and promote responsible behaviour towards senior citizens. During the year a series of 3 nos. of advocacy programmes have been organized at Hailakandi on 16th Aug, 30 Sept, and 10th December, 2019.

SENIOR CITIZEN'S HOME AT CACHAR (ANNEX-II)

The Senior Citizen's Home at Cachar was established in 2005 as there was no such facilities for the older persons. This home is situated at Village Uttar Bariknagar, District Cachar. The Home provides shelter, food, nutrition, medical aids and mental respite through recreation and need base counselling. Active ageing have been encouraged through training and production activities friendly to elderly. During the year under report 14 nos. of senior citizens had been restored to their families after proper reconciliation and 14 nos. of deserving aged persons have been admitted to the Senior Citizen's Home.

At the time of reporting, 25 nos. of older persons have been residing at home. The project is sponsored by the Ministry of Social Justice & Empowerment, Govt. of India.

SENIOR CITIZEN'S HOME FOR 50 PERSONS AT CACHAR (ANNEX-III)

During the last decade society at large has witnessed a definite withering of the joint family system, as a result of which a large number of older persons especially the widows in their post sixties are being neglected by their families exposing to lack of emotional, physical and financial support and social security. There is a rapid increase in number of homeless and deserted senior citizens. The existing senior citizens Home for 25 persons run by WODWICHEE at Uttar Bariknagar is not adequate to the requirement. Given the size of population of the Cachar district and the number of homeless and destitute senior citizens, a larger home for Senior Citizens Home which could accommodate more beneficiaries was highly justified and needful. In such backdrop and to address the need of homeless and destitute senior citizens of Cachar district, WODWICHEE established a Senior Citizens Home for 50 beneficiaries at Village Borakhai Grant, Silchar, District Cachar in a rented building. At first requisite staff have been appointed and 50 nos. of deserving senior citizen's have been enrolled for the Home. Beneficiaries have been admitted in phased manner. The infrastructure and facilities of the Home has been progressively improved during the year.

Basic services like shelter, food, entertainment and healthcare have been provided to the inmates. In addition to providing shelter and care to the inmates, training in income generating activities has been organized to encourage active and productive ageing.

MOBILE MEDICARE UNIT FOR SENIOR CITIZEN

The main purpose of the Mobile Medicare Unit is to render outreach medical services to senior citizens who are not able to attend the existing medical facilities. During the year the MMU provided medical services to the senior citizens residing in distant and interior places having poor transportation networks. The project is sponsored by the Ministry of Social Justice & Empowerment, Govt. of India since 2005-06.

During the year 2019-20 a total of 5124 nos. of senior citizens have been provided with medical and health services through the qualified and trained doctor and staff of the project. Medical tests were conducted and free medicines were provided on the spot of the camps.

Services

- Referral services
- Diagnostic services
- Basic laboratory tests
- Medicine distribution
- Physiotherapy
- Home visits and relevant services for bed-ridden senior citizens.

CHAPTER – 5

LOW VISION CENTRE

With an objective to provide services for identification, assessment, counselling and training with low vision aids and to assist individuals with low vision to reach their maximum potential through guidance and improvement of visual efficiency by prescribing appropriate optical aids, the organisation started the project 'Low Vision Centre' at SMC Road, Silchar, Dist. Cachar on 1st April, 2010.

The Low Vision Centre had been shifted to College Road, P.O. R. P. Road, (Near S. S. College) District Hailakandi from Cachar on 1st April, 2018. The centre has rendered all the services pertaining to the beneficiaries with low vision. During 2019-20, a total of 427 nos. of beneficiaries have been rendered services through qualified and trained staff of the centre.

ADIP PROJECT FOR PURCHASE & FITTING OF AIDS & APPLIANCES TO DISABLED PERSONS

With an objective to assist the needy disabled persons in procuring durable, sophisticated and scientifically manufactured, modern, standard aids and appliances that can promote their physical, social and psychological rehabilitation, by reducing the effects of disabilities and enhance their economic potential, the project was started during 2007-08.

The implementation of the scheme involves organization of disability camps for need assessment and distribution of assistive devices to persons with disabilities and non-camp activities such as fitment of devices, including surgical intervention.

During the year 2019-20, 45 nos. of disabled persons have been identified through assessment camps and aids and appliances distributed to the identified beneficiaries.

NEED BASED PROGRAMME

CHAPTER – 6

FREE CAREER COACHING FOR MINORITY STUDENTS

WODWICHEE is running a coaching centre for offering free-of cost coaching to students from minority communities for entrance examinations for medical, engineering and other professional courses. The center is run with the support of volunteers who are either pursuing various professional courses or have been engaged with various reputed academic institutions as faculties. Innovative peer-learning methods are mainly used to motivate and support the students in groups. The model of coaching provided in the centre has been found really effective in providing low-cost coaching. The principles of peer learning has worked as catalyst in opening up the sustainability scope of the project. During the year a total of 25 students have been served by the centre, some of who are appearing in the upcoming state and national level entrance examinations.

AWARENESS AND PREPAREDNESS FOR DISASTER

Natural disaster is very common phenomenon in Barak valley region of Assam. Each year the region is hit by disaster like flood, cyclone and other natural calamities. During the year under report, WODWICHEE organized 40 nos. of sensitization programmes on preparedness and response to disaster in different villages involving school children and community people in collaboration with the District Disaster Management Authority, Hailakandi and Assam State Disaster Management Authority. Under the programme, awareness activities and mock emergency management exercises were organised on flood and storm. Different aspects of disaster preparedness, emergency response, rescue measures, rehabilitation and trauma management were discussed with the participants using interactive exercises and emphasising collaborative community response.

FROM THE DESK OF THE GENERAL SECRETARY

Not ruling out unseen limitations, another year of dedicated efforts and noteworthy achievement of WODWICHEE has gone by. Along the path while rendering services for the betterment of the underprivileged, the organization has received many cordial supports both institutional and individual that enhanced the organization's spirit and resources. Various welfare activities that either have been completed as project or continued are explained in this Annual Progress Report for 2019-20 that adduces achievement only from the organization's point of view. But ultimate credentials have to be verified by the people at the receiving end of services, developmental authorities and opinion makers, and the criticism of whose not only help eliminate the lacunae in our endeavour but also would provide a fillip to go farther towards earning the rights and privileges of the weaker section of the society.

Our journey has been possible because of the warmth, affection and contribution of many people, including founder members, board members, staff, and colleagues, partners, volunteers, friends and those who joined the journey with us. We would like to personally thank each person for their commitment and faith. We are confident that with the help of future leaders in the social development sector, we will carry forward our dreams and the vision.

Thank You, Yours Truly
